1976 QUIVER

No telling who they were from the behind but Troy Gibson, Ted Marek, Mike Clark, Nick Andre, John Gregor and Mike Mandovich were all in the can-can dance. The audience was thrilled with their wind and swinging actions on stage.

Peels of laughter could be heard throughout the packed Lake Central auditorum on the night of February 18. This was the occasion of the second annual Mr. Ugly contest. The contest was sponsored by the journalism classes and the Scout staff. Mr. Ron Fritchley supervised the ordeal.

A few of the acts keeping the audience hysterical were the can-can, the Doublemint twins, a magic act, the faculty cheerleaders, a marriage ceremony, and the "Strip Polka." The "Strip Polka" done by Mr. Fred Rafa highlighted the night. The evening ended with Dan Andre, senior, accepting the title of Mr. Ugly.

While on stage, Fred Herman and Al Jarosz do a funny skit entitled "Who's on First?"

Can-can dancers practice after school to get in shape for the Mr. Ugly contest.

Senior Laura Lynch and junior Randy Wasson were chosen to reign over winter formal as queen and king.

Freshmen John Cyphert and Carol Watkins enjoy listening to the band "Wet Sunday" while many couples were joined on the dance floor.

Seniors Jim Volk, Carol Smith, Rick Domasica, Mario Digiacomo, and Mike Misiewicz sit around and talk about good times during the Senior Banquet, which probably will be their last get together before graduation.

N' Teens Winter Formal '76 was January 17, at St. George's Serbian Hall in Schererville. This year's theme was "Beginnings". Pat Stynski was the general chairman for Winter Formal. Other chairman were: Shirley Gibson, Cathy McCarter, Kathren Heikema, Amy Reitman, Michelle Rutherford, Debbie Wandrei, Lee Anne Newnum, Terri Bremen, Lilly Montgomery, Janet Ladd and Michelle Black.

On March 22, at the Holiday Inn, Dean's Admiral, in Merrillville, the second annual, Senior's Banquet was held. "Starr" was the band that played until midnight. Only seniors were allowed. Girls were asked to wear dresses, long or short. Boys were to wear leisure suits. The class of '76 was served food, danced and had a good time.

Presented by the N' Teens Fashion Show was "Colour My World". The show was on April 13, and the chairmen were Pat Richwalski and Terri Wells. The advisors were Mrs. Joan Osborn and Mrs. Connie Lewis.

Seniors Kim Prange and Rob Vallaincourt show what having a good time means at the senior banquet as they wear Chip Williams hat. This was the second annual senior banquet.

Freshman Jeff Malone, who was chosen to be in the N-Teens Fashion Show, comes out in a tuxedo.

Junior Ed Green, who also was chosen to be in the fashion show, walks out in tails and a top hat. Most of the fashions were for the upcoming prom.

Dolly (Arlene Adler) reassures Ambrose Kemper (Tony Gruttadauro) that he will marry Horace's niece, Ermengard.

Dolly distracts Horace (Steve Ballantine) into thinking that his life runs right off his hand and that they'll have to hit him on the head with a mallet.

The Lake Central Theatre Guild presented "Hello Dolly" as their spring production this year. The play was a smashing success. Every scene had a uniqueness that made the audience laugh one minute and stare in amazement the next.

The cast of 57, which was excellent, consisted of 20 freshmen, 20 people new to theatre and 17 people that had participated in other plays. Arlene Adler made a fabulous Dolly Levi. The choreography and set construction were superb. All in all, "Hello Dolly" was another of Lake Central's very fine plays.

Cornelius (Michael Berglund) and Barnaby (Kendal Smith) agree that "It Takes a Woman"; little realizing that they soon will fall in love.

Ambrose and others dance their way into the mind of Horace as he convinces himself that "It Takes a Woman."

Ermengard (Cindi Pasternak) and Ambrose "Put on their Sunday Clothes" on their way to New York.

Dolly claims, "If you want your sister courted, brother wed or cheese imported, just leave everything to me."

Lettermen Play Leap Frog

Since it was senior Tom Triumph's idea to break the world's record of leap frogging he was the one to call all lettermen that were assigned. The contest was held in the LC fieldhouse. The leapers finished a lot earlier than expected, and beat the standing record with a lot less time.

Sophomore Tim Triumph gets a little shut-eye during the leap frog event. The contest lasted 13 hours and 59 minutes.

Who were those crazy fourteen lettermen that leap frogged around the fieldhouse 1,067 times? They were seniors Gene Blaho, Brian Dinges, Terry Harris, John Pavlik, Glenn Pruitt, Mike Skura, Mark Sumner and Tom Triumph. Juniors Pat Fagen, Jim Robinson, Ted Sangalis and Pete Weilgos. Finally, sophomore Tim Triumph and freshman, Mitch Crooker.

The Lettermen averaged about 10 miles an hour, and for breaking a world's record, which took a lot of effort, in the next edition of the "Guiness Book of World Records" it will read: "Fourteen completely insane lettermen from Lake Central School traveled the 100 miles in record time of 13 hours and 59 minutes. May they rest in peace!"

Mike Skura and Ted Sangalis keep on going breaking the world's record.

Peanuts Gang Star At Carnival

Senior Marsh Davis tried his best to win the pie eating contest, but freshman Jack Decker did better.

Juniors Debbie Reeves and Liz Quint work at the cane toss to raise money for the 12th annual Quill and Scroll Carnival.

The annual Quill and Scroll Carnival and dance seemed to turn out a good profit for the journalism workshop this summer. This year's theme was Charlie Brown. The dance took place in the cafeteria and the band was "Color". Chosen for king and queen during the festivities were senior Tom Brew and junior Nancy Hesch.

A volunteer with enough courage pokes his head through to get hit with a pie.

Prom Memories Will Linger On

"Ribbons of Memories" was this year's prom theme chosen by the junior class. Prom was on May 15 at the Regency Ballroom of the Holiday Inn in Harvey, Illinois. Couples were asked to vote for king, queen, prince and princess as they walked in. Later on, seniors Tom Triumph and Terri Tarrants were announced as king and queen. Juniors Dan Sullivan and Diane Horgash were picked for prince and princess. "November's Guest" was the band that was featured for prom and the band "Quorem" played at post prom. Prom lasted from 7:30 p.m. til 2:00 a.m. The next day, many couples planned on going to places like Starved Rock, Turkey Run, Brookfield Zoo and the Dunes.

Kay Sato and Mike Berglund were junior prom chairmen. On other prom committees were: Debbie Bertsh, Beth Dotson, Gayle Farcus, Kathy Figler, Kim Gugin, Nancy Hesch, Judy Higgins, John Jayjack, Mike Kidd, Lois Pawlak, Karen Rolewski, Becky Seberger and Teena Zevkovich. Many chaperones accompanied the crowd of 200 couples.

King and queen, Tom Triumph and Terri Tarrants dance to one of the many songs played during the prom.

Senior Mike Jackson shows that he too had a parasol, which was one of the many popular styles for this year's prom.

Surprised by the announcement, juniors Dan Sullivan and Diane Horgash were to reign for prom's prince and princess.

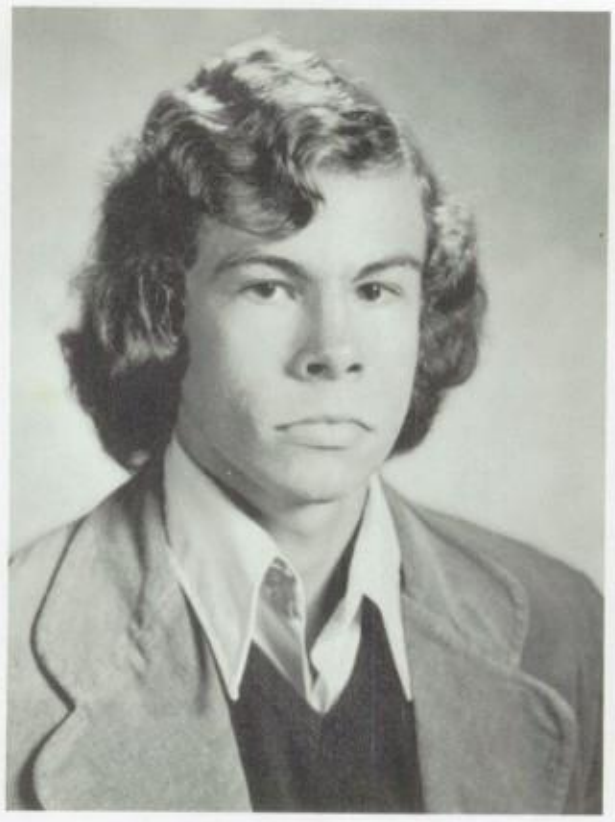
Terri Wells and her escort George Govert arrive for prom at the Regency Ballroom.

Seniors Margaret Roebuck and Dean Tomsic seem to be enjoying themselves as they talk at the '76 prom.

Seniors Stacey Veselak and Vaughn Massey are in a world of their own while on the dance floor.

Seniors Receive Honor Awards

Co-Valedictorians Betsy Nelson and Mark Sumner both represented this year's senior class. Betsy and Mark have been able to maintain a 4.22 scholastic average for a period of four years.



Kathy Rolewski, senior, was this year's salutatorian for the 1976 graduating class.

Awards were presented on Seniors Honors Day as: Gail Hess received the DAR, the American Legion, Polly Sarros and Rich Beil, Bauch & Lomb, Carol Scott and Mark Perrings, Danforth, Pam Beamer and Mark Sumner, Youth for Understanding, Linda Dilts, Lily Award, Mark Perrings, Most Likely to Succeed, Betsy Nelson and Mark Perrings, Best All Around Boy and Girl, Julie Baker and Brian Dinges, MPC Scholarship, Jane Jarros, Family Leadership, Herb Fenton and Music, Marsh Davis.

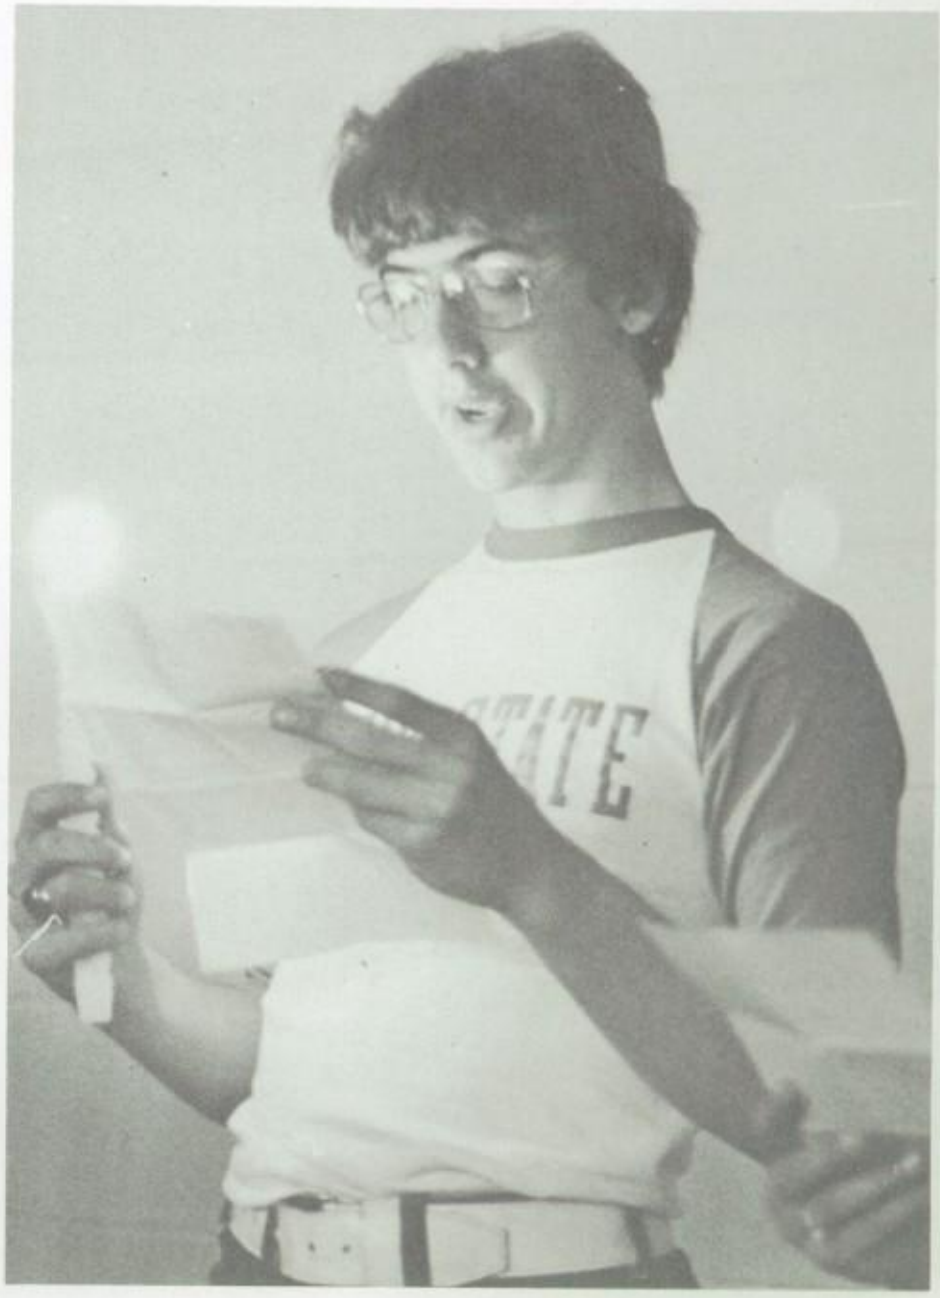
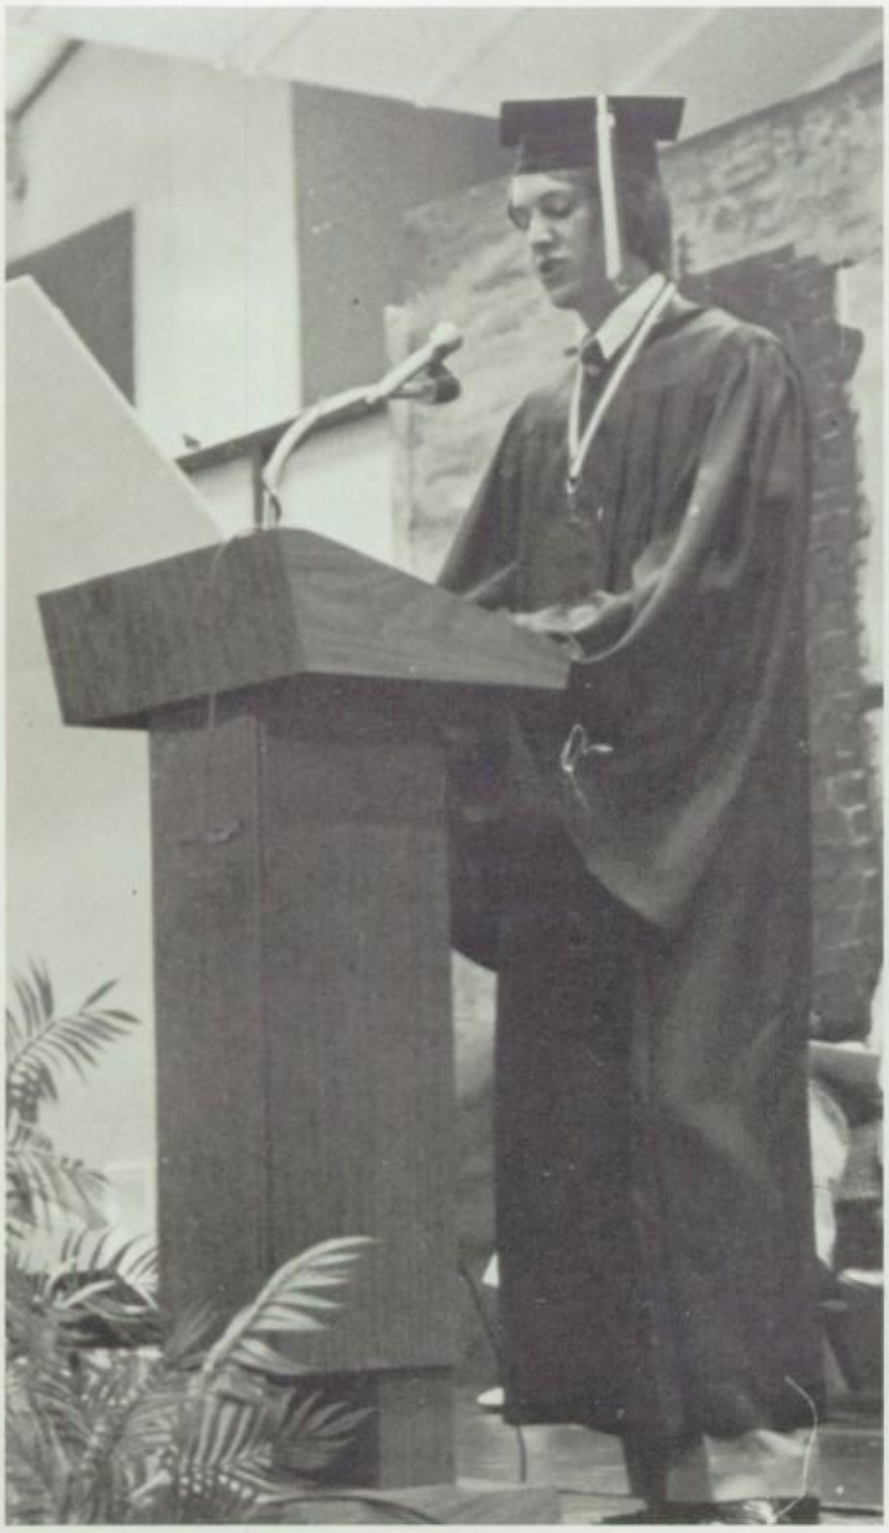
Senior, Tom Brew, president of Quill and Scroll, discovers that he has received a scholarship from Quill and Scroll.



Graduation Marks New Start

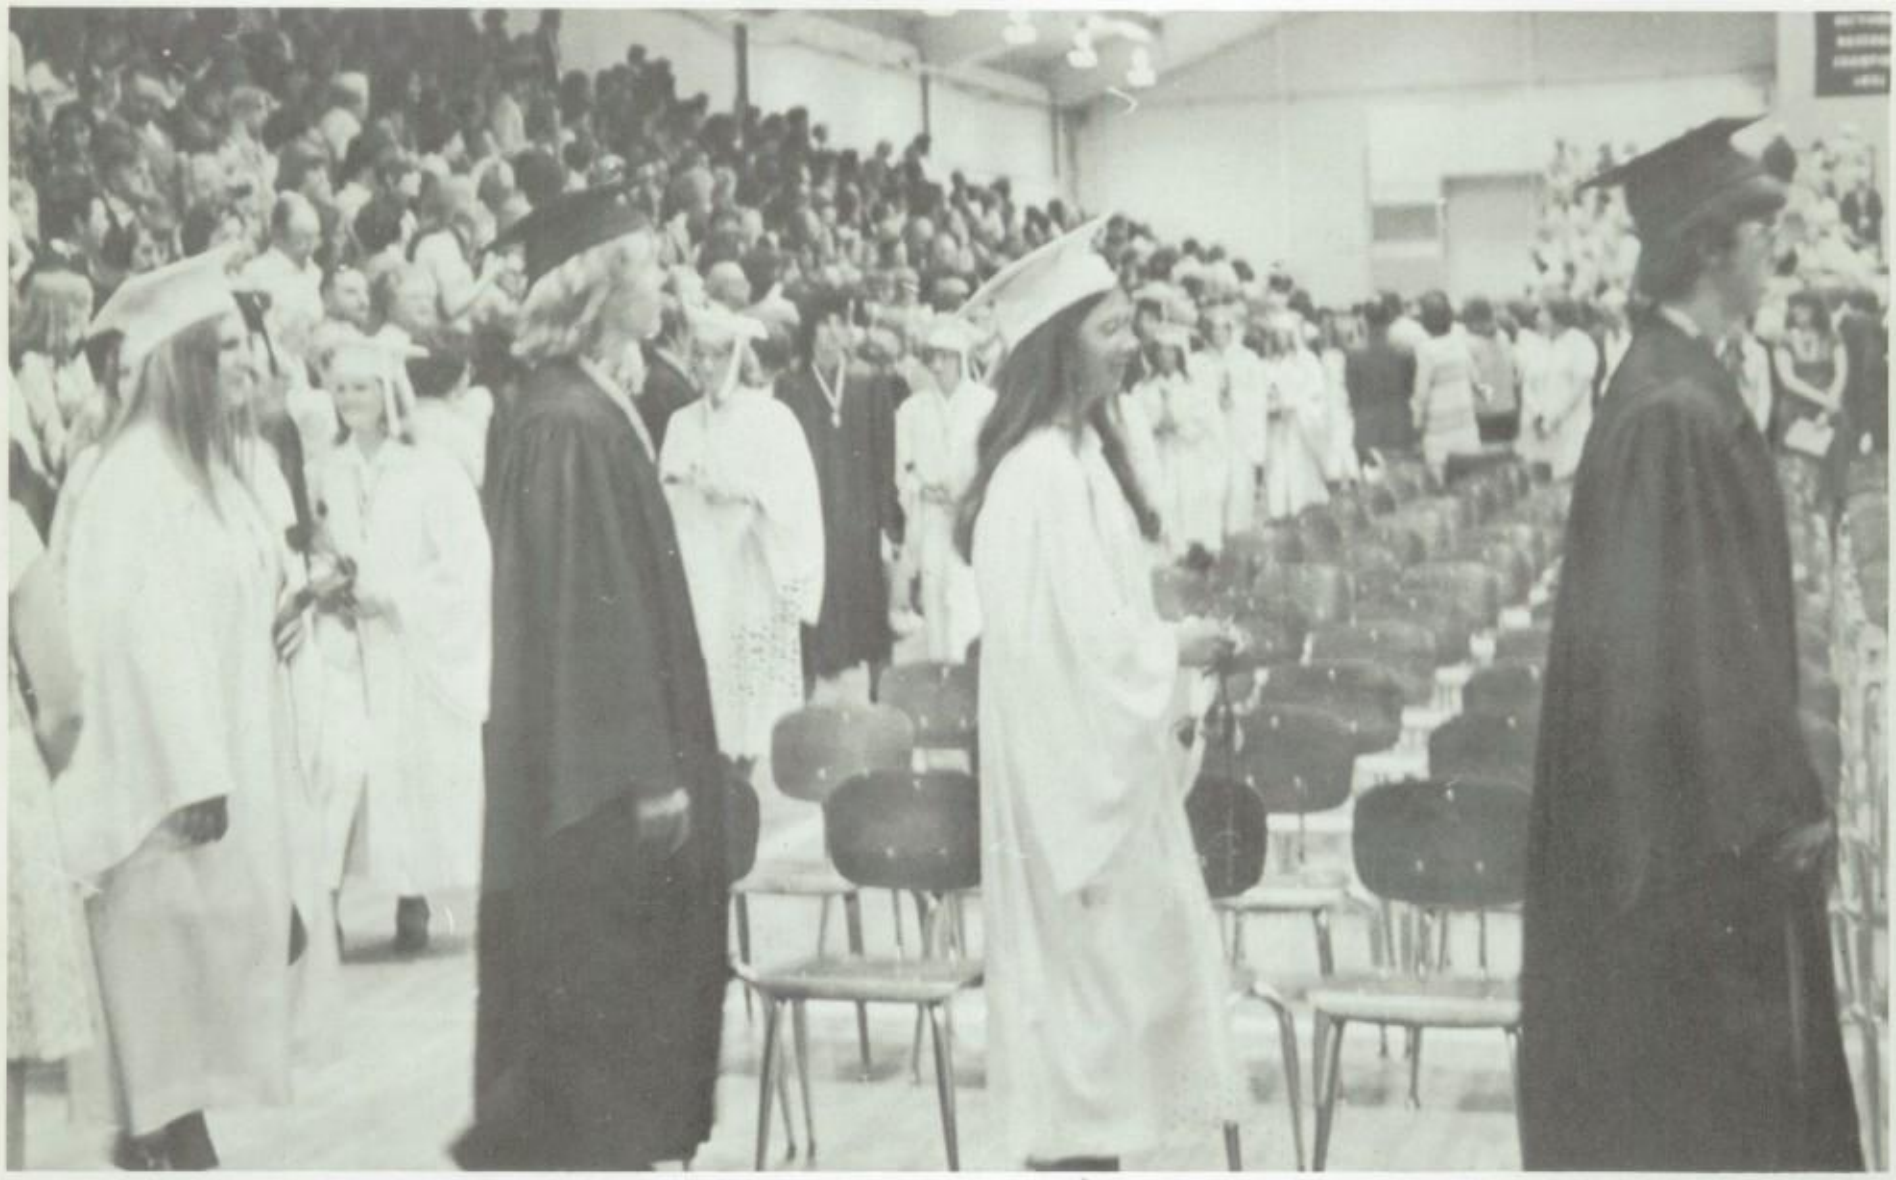


Brian Dinges, senior class officer, makes a speech and presents the gift from the senior class.

Graduate Marshall Davis receives his diploma from Curriculum Director Mr. Fred Jones during the ceremonies.

The LC mixed choir along with the senior choir members sang their farewell songs to the 1976 graduating class. The Madrigals sang "God Bless the Child" and the mixed choir sang "May The Lord Bless You and Keep You." There were many tears brought when these songs were sung.

Graduates Walk



Graduates walking in and getting ready for commencement to begin. For many of them this will be their last school activity which involves their class.

Beth Teibel, Marshall Davis, Arlene Adler and Tom Brew are a few of the first seniors to walk in.

Starting from the left: Principal Mr. Glen Eberly, Mr. John Powers, Reverend David Buche, Mr. Fred Jones, Mr. George Bibich, Mr. George Witt and Mr. Terry Jukes all were there to help give out diplomas. Some were there to make speeches for the future of the graduating class.

On The Threshold Of A Dream

As they listen anxiously to the guest speakers and speakers from their own class, the '76 graduates will soon be receiving their diplomas. Some of the class money went to buy every graduating girl a rose to carry during the ceremonies.

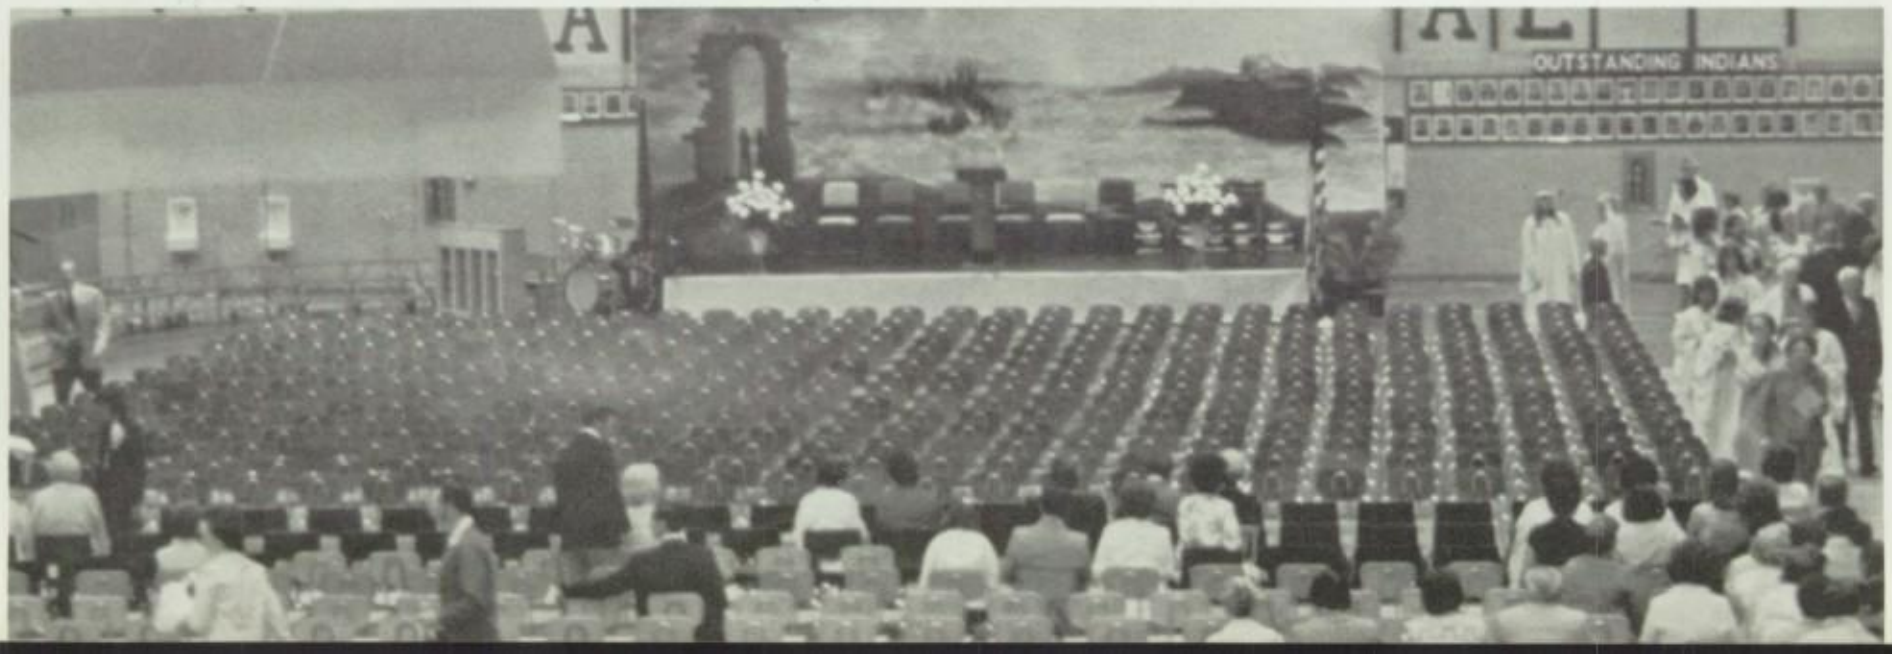
For the graduating class it's all over, well at least it is for the four years they have spent here at LC. On May 30, at 2:00 p.m. commencement and exercises began in the fieldhouse.

Since this class was graduating during the Bicentennial year, each graduate wore a medalion strung on a red, white and blue ribbon.

Class officers Brian Dinges, Nancy Duncan and Julie Baker gave various presentations. Salutatorian Kathy Rolewski gave the welcoming address, while co-valedictorians Betsy Neslon and Mark Sumner gave the farewell speeches. Out of the 440 graduates, 10 of them were juniors.

Guest speakers Reverend David Buche bows his head and prays for the future of the '76 class.

The graduates of '76 are gone, gone to start a new life in their future.



ORGANIZATIONS

Marching or playing an instrument in a band, dancing, singing, acting, sports, or just having plain good fun with your friends are some of the activities that organizations at LC offer.

Clubs bring dances, the turkey trot, a carnival, plays, and special assemblies to LC. Some clubs have also brought high honors and recognition to Lake Central. The band has won NISBOVA 12 out of 14 times, the Choir Department brings us gold medals from state contest every year and the Theatre Guild brings us wonderful plays to enjoy.

SGA sponsors homecoming

Hall decoration is only one of the many events which the SGA sponsors during homecoming.

This land is Indian land was part of the senior's hall decoration.

The Student Government sponsored the football and basketball homecomings this year. They sponsored a parade, a bonfire, and the class competition.

This year they had 10 SGA members for each class. The class cabinet members were chosen according to each class size, then the class officers for each class were chosen from them. The class officers are then voting members in the SGA.

The president of the SGA, Nancy Ayersman did her job well this year. Many new ideas were brought up and discussed during the meetings. Lots of things were done, for instance tulip bulbs were planted in front of the building at the beginning of the year and the benches in the foyer were painted.

This year we had an exchange program with schools from this area. Students from our school would visit the other schools and they would come here. Sponsors of the SGA were Mr. Trier and Mr. Todd.

SGA President Nancy Ayersman talks over some of the school problems with Mr. Todd sponsor for the SGA. They also check over the items on the list of projects the SGA is involved with. Among the list is the drive for Muscular Dystrophy.

Sportsmen learn to camp

The Boy's and Girl's Sportsmen Clubs sponsored by Mr. Jordan learn skills in camping and go on trips during the year. The clubs sold raffle tickets this year in order to raise money for their trips. The boys sportsmen went on a four day camping trip to Fort Cobb in Oklahoma to go crow hunting during the Thanksgiving vacation. This is the first time in nineteen years that the boys sportsmen didn't raise enough money from selling the raffle tickets to be able to go on a trip to Canada. The boys had a car wash this year trying to raise money but they just couldn't get enough money.

The Girl's Sportsmen Club went on several camping trips to Willow Slough. They went on a fall campout, a winter freeze out, and a spring campout. This summer the girls will be taking a trip through the Minnesota Canadian Wilderness. The sportsmen clubs have equipment of their own to use during the campouts so that doesn't add to the expenses that they already have. This equipment is stored for them and is used only for the purpose of learning about it or for the campouts they go on during the year.

Karen Gallas and Cheryl Spring demonstrate to the girls sportsmen how to put on a back pack so they will know how to do it themselves when they go on campouts.

Boy's Sportsmen learn skills in camping and canoeing from Mr. Jordan and have time to do these skills on the camping trips they take during the year.

Boy's Sportsmen President Nick Lakich talks about the upcoming campout.

'Hello Dolly!' was a smash

Members of the Lake Central Thespian Society work many hours to obtain the points to receive the jacket and the blazer. Either working on the crew or being in the cast or pit are all hard, time consuming jobs.

Lieutenant Rooney (Steve Ballantine) along with his three crazy cops (Dave Boller, Jeff Ferguson, and Kendal Smith) find the body of Jonathan Brewster (Mark Perrings.)

Entertaining sell-out crowds the LCTG had another successful year. The Lake Central Theatre Guild is directed by Mr. and Mrs. Lowe. The productions of "Godspell," "Arsenic and Old Lace," and "Hello, Dolly!" were all smashing hits.

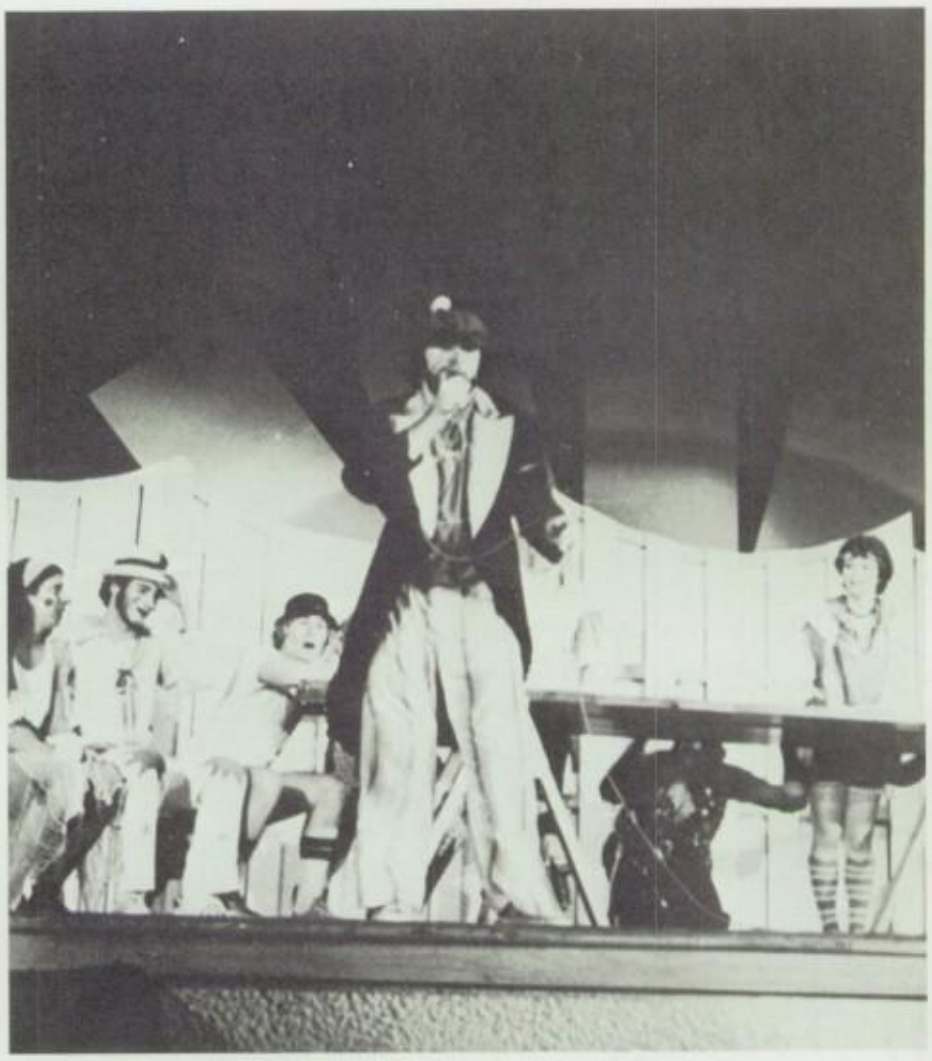
To become a thespian one must obtain 15 points. You must work 30 hours before you get one point. When one reaches 30 points you get a jacket and 60 points you get a blazer. The summer production of "Godspell" was a hit show. Many Lake Central graduates along with the high school students made a tremendous show. "Arsenic and Old Lace" was the fall show. Mixing comedy and terror made the show another great fall drama. The set was beautiful and it added to the mood of the play.

"Hello, Dolly!" was another masterpiece. The big show stopper "When the Parade Passes By," made the entire show a fabulous LCTG production.

LCTG has a successful year

Interested towns people listen as Dolly (Arlene Adler) hands to each one of them a card while she sings "Just Leave Everything to Me." Each hoping they will be the next match.

Tom Butoryak sings "All for the Best" in the summer production of the Broadway musical "Godspell."



Bob Horgash sings to the other members of "Godspell." Bob portrayed Judas-John in the play.

GAA sponsors girls activities

The girls competed in inter school competition at all levels of basic indoor sports. They sponsored volleyball, basketball and ping pong tournaments.

The GAA has only two officers, the secretary and the treasurer. Mrs. Sandy Peters was the sponsor and the organizer of the club.

The Home Economics Club is one of the largest organizations at Lake Central. Under the leadership of Home Economics teacher Mrs. Nancy Lakin the club was quite active visiting businesses and services in operation. Most of the girls were enrolled in the basic home economics courses.

At various times throughout the year the Home Economics girls prepared and served dinners to invited faculty members. Everything was served from hot dogs to a full course Thanksgiving turkey dinner. After the dinners the girls cleaned up and socialized with the faculty members.

Volleyball is one of the many sports the GAA is involved in. This is a varsity game held at LC.

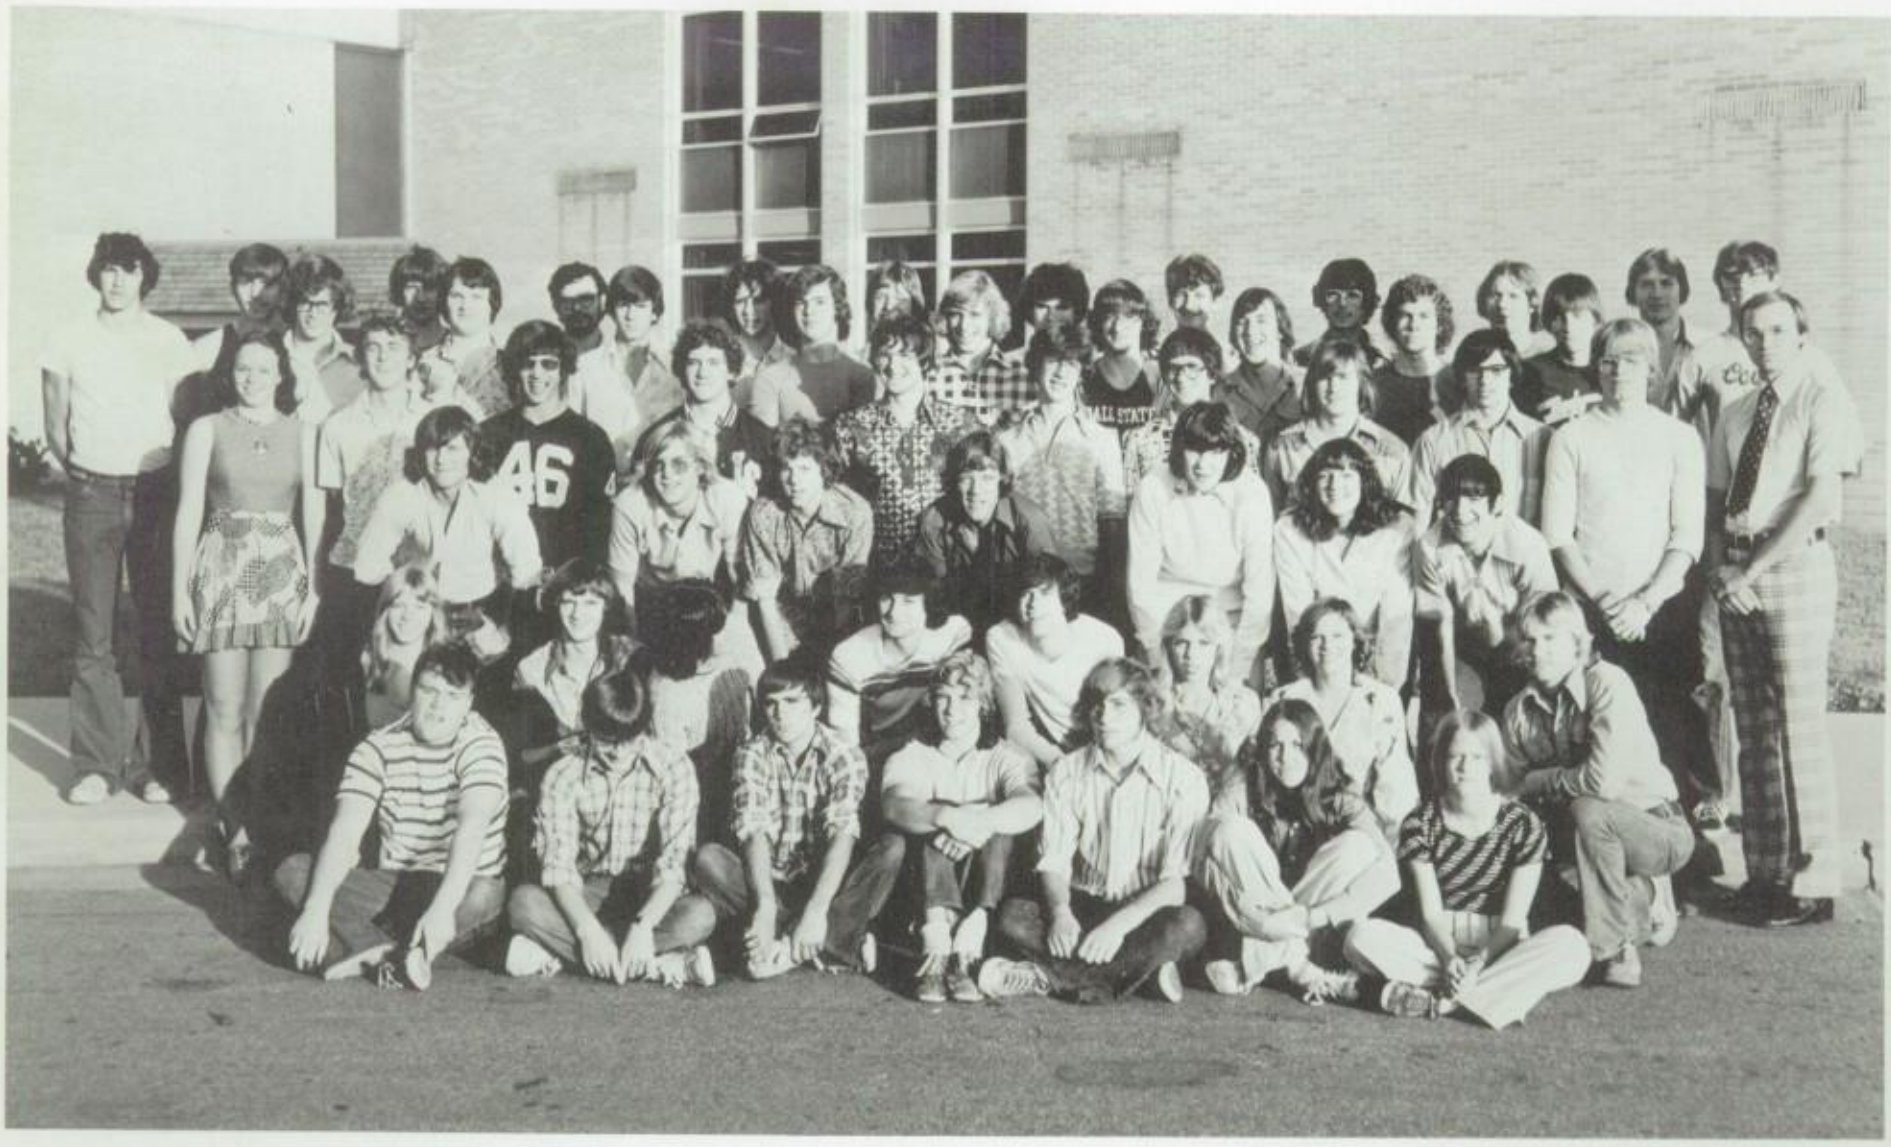
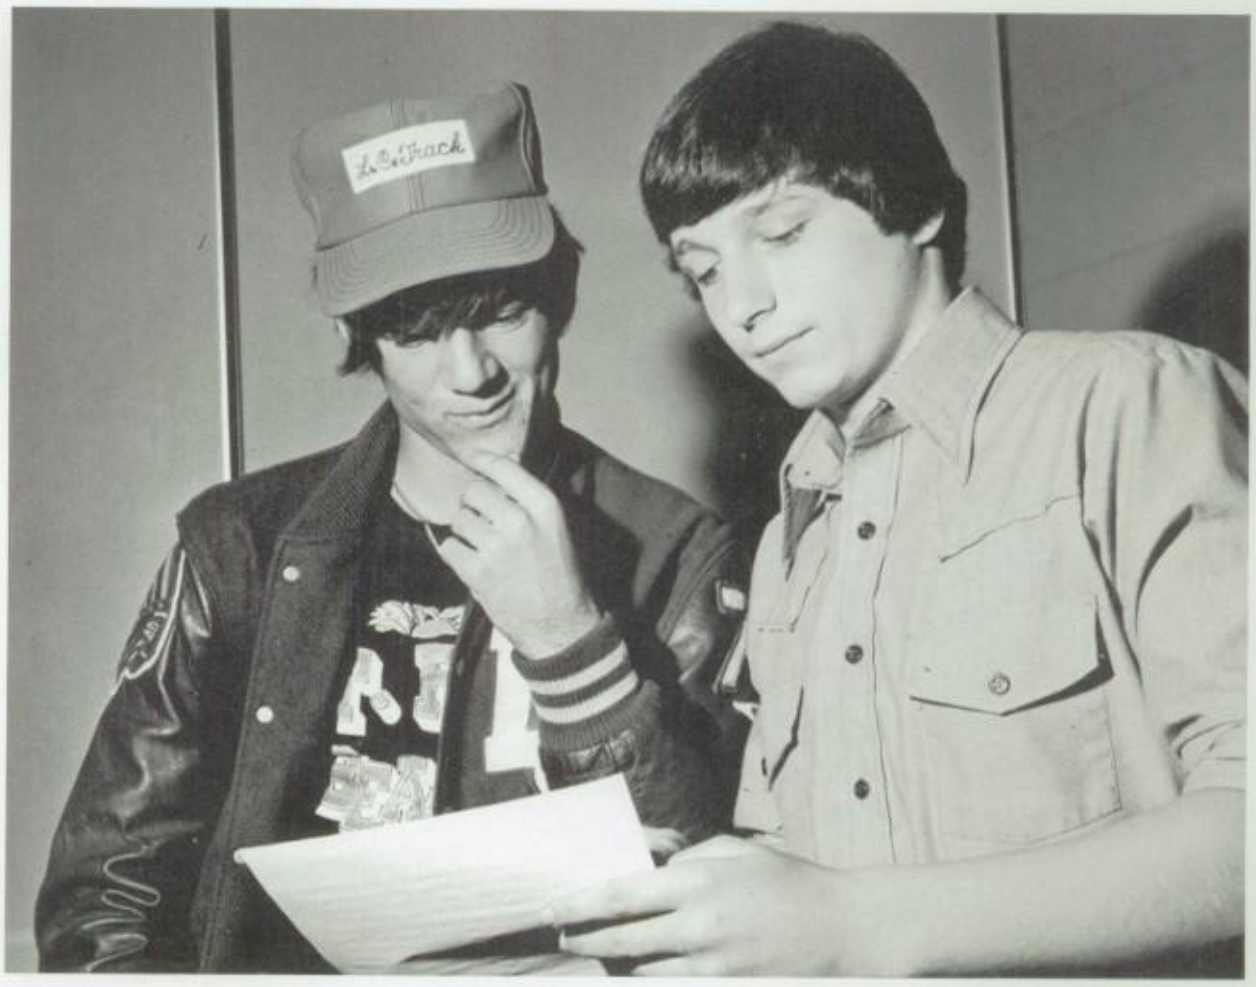
Letterwinners have leap frog



Members of the letterwinners club have turned from just boys to include girls also. To become a member one must receive a letter in one sport that you participate in. Then one may buy a sweater if they want one. In order to get a jacket one must get two letters in any sport.

The letterwinners sponsored by Coach Linger held the Annual Turkey Trot on the last day of school before the Thanksgiving vacation. No one that is a member of the letterwinners can participate in the events. This year the Senior Class won the Turkey Trot. In an attempt to raise money for the American Cancer Society fourteen lettermen broke the world record for leap frog jumping. They started at 12 a.m. on Sunday morning April 4 and ended 14 hours later at 2 p.m. Sunday afternoon. Their accomplishment will be recorded in the Guiness Book of World Records.

Other activities were the bicycle ride and the steak fry. The bike ride was a money making project where a letterwinner would try to ride a bike a certain distance and someone would sponsor him by paying him for every mile he rode. The steak fry was only for the enjoyment of the members of the Letterwinners Club. It was held on April 19. The letterwinners also sell programs for some of the sporting events at school.



Lettermen, Pete Wielgos and Scott Faucette look over the order of activities for the Turkey Trot.

The Turkey Trot is one of the major activities that the letterwinners sponsor.

Leap frog jumpers Mike Skura and Ted Sangalis are making an attempt to break the world record. After several hours the 14 boys succeeded.

Tim Triumph takes a running jump over Mark Sumner as the world record leap frog jumping is beaten by 14 lettermen.

Officers for the letterwinners this year were President Gene Blaho, Vice President Tom Triumph, Secretary George Peters, and Treasurer-John Pavlik. The officers had the job of organizing meetings and most of the activities. They also get the letterwinners to work at the activities.

Pep Club sells wrapping paper

Active members in the N-teens Club who are involved with the Winter Formal discuss plans for the up-coming formal. The menu, the band and the amount of people attending were discussed.

The N-teens held the Winter Formal for the 1975 year. It was at the Knights of Colombus Hall in Schererville. The crowning of the queen and king went to Laura Lynch and her date Randy Wasson. They also had a food drive for the needy during Thanksgiving. The members would bring in canned goods for this activity.

The Pep Club had a good year because of the large crowds at the basketball games. During sectionals the pep block was one of the biggest it's been for a while. This year the pep club sold Christmas wrapping paper in order to raise some money for the club. The top fifteen sellers won a dinner and play at the Candlelight Theatre. There were some pep assemblies this year and turned out to be very successful. Other activities included a roller skating party for the members of the pep club and a fall picnic. The big selling items that raise the most money for the Pep Club are the basketball stickers and the t-shirt sale with each class number on them. These are sold at the beginning of the year.

The N-teens Club sponsored by Mrs. Osborn and Mrs. Lewis is one of the largest clubs at Lake Central. They have many activities which they sponsor during the year including the Annual Winter Formal. The officers of the club manage the different activities.

Officers of the Pep Club are Barb Tucker, Janet Bakker, April Folta, Tammy Harris, and Barb Walz. They are putting the Christmas wrapping paper in order so the members can pick it up to sell in order to raise money for the Pep Club and the activities they do.

During the basketball season and the football season the Pep Club sponsored a few assemblies and they turned out to be successful. Here the cheerleaders do the bump with some male faculty members during one of the pep assemblies.

Spanish Club members meet during activity period to make plans for the future activities.

By selling stationery, posters and candy the French Club raised enough money for the Annual French Club Scholarship and still had money left for club parties.

German Club went to Germany

For the second time Mr. Hensley took another group of students to Germany and Austria.

The French Club is an active group sponsored by Mrs. Angie Lowe. French Club was active in the Quill & Scroll Carnival where they sponsor the Marriage Booth. The Club had several parties, one for Halloween, Christmas and another in spring.

The German Club sponsored by Mr. Mike Hensley hosts many activities. They had a Christmas party, spring picnic and a bowling party in February. They have participated in the Q & S carnival with the Balloon Dart. German classes this year went to Germany.

"Spanish Club has money but just does not know how to spend it," said Mr. Al Smith, sponsor of the club. The president was Cheryl Laich. They had a Christmas party at one of the members house. They ate traditional meals at Spanish atmosphere restaurants in Illinois. Spanish Club had a remarkable amount of members the last two years, but this year they had only fifteen active members. The club sponsored a booth in the carnival also.

German club members had to save their money for the big trip in June. They spent two weeks on the tour.

LC Band wins four in a row

Many hours of practice, work and determination made the Lake Central Marching Band proud to win the 1975 NISBOVA Sweepstakes trophy. The Marching Indians have now won 12 out of 14 attempts for the NISBOVA Sweepstakes award. The class of '76 has won all four years of sweepstakes awards. The last class to get this honor was the class of '71. The '76'ers came into band getting a perfect score and they left in the same way. This years show was "A Salute to all the Marching Bands at NISBOVA Contest." The band did this show on all different types of marching styles they've seen at contest. The band came onto the field doing a modified goose step to the music of "Chant and Jubilo" stepping into a fast moving routine to "S'Wonderful." Then the band went into formation as they played "Swing-Galee" the band then did a stiff drill to "What Now My Love." As the band finished the show they went off the field doing a sharp marching step to the snappy tune of "Furioso for Band." NISBOVA Contest was held at Fort Wayne Northrup High School on the first Saturday of October.

In preparation for contest Mr. Doug Jordan and student teacher Mr. Dale Catts check over the charts to be sure all the formations are put together correctly.

Shining through the banners depicting the past NISBOVA records of the band is the 1975 Sweepstakes trophy.

After setting up everything in the parking lot the contest began. Despite adverse weather conditions the Marching Indians came through with a fantastic show.

As a last get together for the seniors in band, a banquet was held at San Remo's restaurant in Griffith on January 20. Dinner was served and a program in honor of the Class of '76 was following. Each senior received a plaque with all their band accomplishments printed on it. The seniors presented Mr. Jordan with a pair of binoculars. Band acquires perfect score

Majorettes and bandsmen spent hours of practice during the first two months of school working to put a winning show together. They would go through the show many times and stopping each time something went really wrong. Each practice would last about two hours.

Flute player, Mary Mysliwiec, practices on her instrument before the bell rings for class to begin.

As a part of the NISBOVA judging each band gets inspected on uniformity, movement and alignment.

While standing in block formation and thinking of the show and the inspection some majorettes wait for the inspection judges to begin at the NISBOVA Contest.

The majorettes added excitement and style to the band when they executed the excellent routines during each performance. This years corps practiced many hours trying to perfect their routines. The head majorettes worked hard to make the routines and to teach them to the girls. Trying to make a routine fit with the music takes hours of work. The corps went to contest in Zionsville this year. Many corps came from all over Indiana to compete. Night practices, three times a week, were scheduled. Only those girls who could manage to make the most practices could go to the contest. The LC majorette corps is expanding and improving more each year. They are doing more activities. The corps marched at four of the home basketball games doing different types of dancing routines. They would work at night two times a week trying to get the routines right. The head majorettes for this year were seniors Pat Conte and Karen Gallas, and juniors Judy Maier and Crystal Quiggle.

Good year for NHS & Science

The active members of the Science Club are interested in working for a winning Science Fair project, some may even achieve a career in science.

Honorary students in the senior class at Lake Central became members of the National Honor Society. Each spring during one evening an induction ceremony is held in the auditorium. Each member was voted in by the teachers at Lake Central. Those students possessing the qualities of scholarship, leadership, service and character become members of the NHS. In October, the NHS members had a picnic at Redar Park in Schererville to get this year off to a good start. The National Honor Societies sponsors are Mr. Mick Smith and Mr. Rich Ossanna. Science Club was organized to promote goals of science. Members are encouraged to participate in the annual Science Fair in the spring. Each year the Science Club and the MPC organize a cafe at the annual Quill and Scroll Carnival. It is set up in the foyer and they sell hot dogs and other refreshments. This club was designed for those students who are interested in science professions.

Choir goes to Europe for two

Europe was an experience for everyone involved when Lake Central Choral Department visited Europe last summer for two weeks. There were forty students including six graduates and ten chaperones. They entertained, went sight seeing and sang in the Dome Cathedral in Cologne, Germany. "Singing in the Cathedral was such an honor," said Sarah Comer, one of the students who went.

Mr. Lewis' choir, proved themselves winners at the NISBOVA contest at Lew Wallace High School. They brought home 89 gold medals and nine silver, which was something they were proud of.

During class time the choirs are taught many ways of reading music, for instance sight reading. They also prepared for the many concerts they gave during the year.

The Madrigals were successful this year as they won two events at NISBOVA. Stand out member Sarah Comer brought home five medals herself.

The singing and dancing Girl's Ensemble were better than ever this year, winning gold medals at NISBOVA and State. RIGHT.

weeks; Concerts successful

The Mixed Choir is the largest group in the Lake Central Choral Department. They performed in six standing ovation concerts. Every student works their way up through the department to the mixed choir. Only specially selected freshmen are allowed.

Junior and Senior girls are the ones who make up the Advanced Girls Choir. They were active in the annual concerts. They are active in singing at different places such as Kahler Middle School and contest.

Junior Girls Choir is composed of mostly freshmen and sophomores who are working to better their voices to go on to the other choirs.

For the girls to better their voices they learn to read music, and perform in front of people at the various concerts.

Boy's Choir has only existed four years, they practice to improve their voices. They sang in the fall, Christmas and spring concerts.

Every year when the Boy's Choir starts out the number of boys increase from the year before.

Gun & Train clubs learn safety

Gun Club is a club that teaches rules and safety with guns, they don't promote hunting, but the right uses of firearms.

The Gun Club is not a active or well publicized club, but the active members are there for a purpose.

Glittenberg & Berglund won

Speech and debate is a relatively new area of study in the field of speech. This course is designed to give the students both the information they need and let them put it to use. Although not a rigid standard, more time will be spent on understanding rather than usuage. Practice will hopefully come outside of the classroom.

Michelle Glittenberg and Michael Bergland won third place in the Calumet Forensic League Speech Tournament, defeating 30 other entries from 18 different schools.

Mr. Quinn, Literary Club sponsor, asks speakers like John Powers to speak to his club.

The club has speeches and had debates against other schools in the region. The best speech or debate then goes to on other contest.

Hockey Club finishes season

The Lake Central Hockey Club has gone through its third season this year with a record of 9-9-2. The Hockey Club is not a school sponsored sport. The members of the team must pay for the use of the ice for practices and games. They must also purchase their own equipment. If any damage comes to the uniform they must replace it themselves. For money making purposes the Hockey Club sold suckers to the students in school during the middle of the year. The hockey team made it to state finals this year. After winning the regional for this area they went to the finals but lost a game there. Lake Central plays other area teams during the season. They also play teams from Illinois. This last year the members of the Hockey Club ordered jackets for their organization. They are blue with Lake Central Hockey Team printed on them.

Every year the hockey team gets better, and this year they seemed to do a really great job by making it to state. They practice during the weekend and have games to. The season runs during the winter months. The hockey team is a new organization to the school.

Office Education wins honors

Officers of the OEA are Denise Rose, Laurie Richwalski, Marcie Grownowski, Pam Beamer, Kathy McKeny, Toni White, and the sponsor Mrs. Bibich. This organization is for those girls that are enrolled in the business courses offered at Lake Central and for the college offers in business.

The Office Education Association sponsored by Mrs. Evamae Bibich is organized for girls enrolled in the secretarial course offered at Lake Central. This year the OEA went to contest and took some of the top business students to compete in the different aspects of business. They did a great job and as a result came back with several awards. They went to the District Level Competition, State Level in Indianapolis, and the Concordia College Business Contest in Wisconsin. The club members became aware of the business aspects of jobs. Some of the different types of contests they were involved with are typing and clerical work.

The bookstore is a vital part of LC for the students, teachers, and the Commercial Club. Supplies and text books are sold in the store and the Commercial Club members operate and manage it. The bookstore is open before school and during the lunch hours. The Commercial Club did a good job of raising money from the bookstore. The members of the club have learned about college offers in the business field.

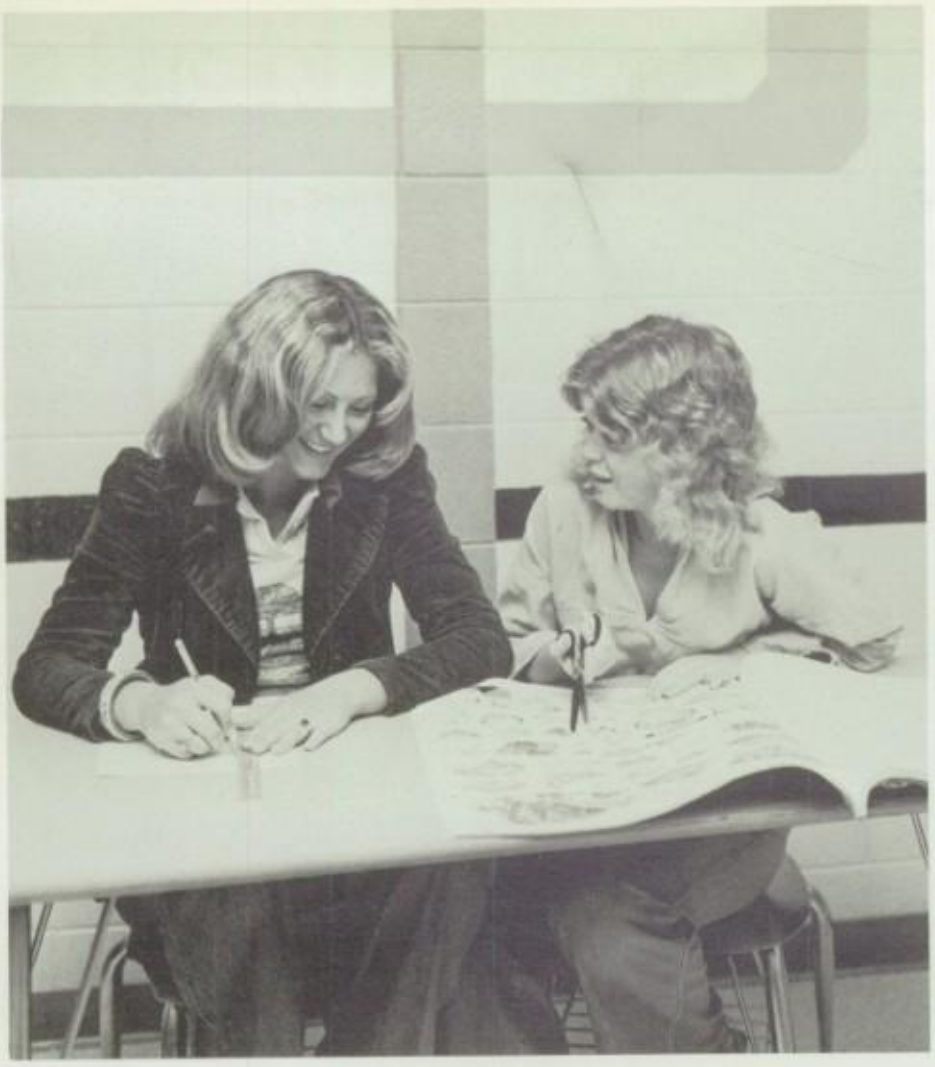
Active members of the Commercial Club spend many hours working in the bookstore, selling school material in order to raise some money for the club. Mr. Baker is the Sponsor.

Scout staff informs students

Gene Blaho, Dan Andre and Debbie Reeves get their weekly assignments to cover athletic events from Scouts sports editor Tom Brew.

Reporters editor Pat Conte along with Nancy Hesch and Dan Barczak get the paper ready for distribution to the classes.

Feature writers Pam Denslaw, Sue Czerwinski and editor, Jan Kish type their weekly stories in order to meet their deadline date. The feature writers do stories that are of human interest and that catch the students attention when they see them in the paper.



Working to get all the ads in the paper are the advertising managers Kathy Kristoff and Dana Newkirk.

Scout photographers Laleli Lopez and Sandy Gustas check the camera to see that everything is in good condition for the next picture.

Columnists Rosie Koepl, Brenda Douglas and Julie Bakker read and get some ideas from other newspapers for their articles. Subjects from highly acclaimed columnists could give them some good stories to write on. Columnists usually write on things that interest them and give people their point of view.

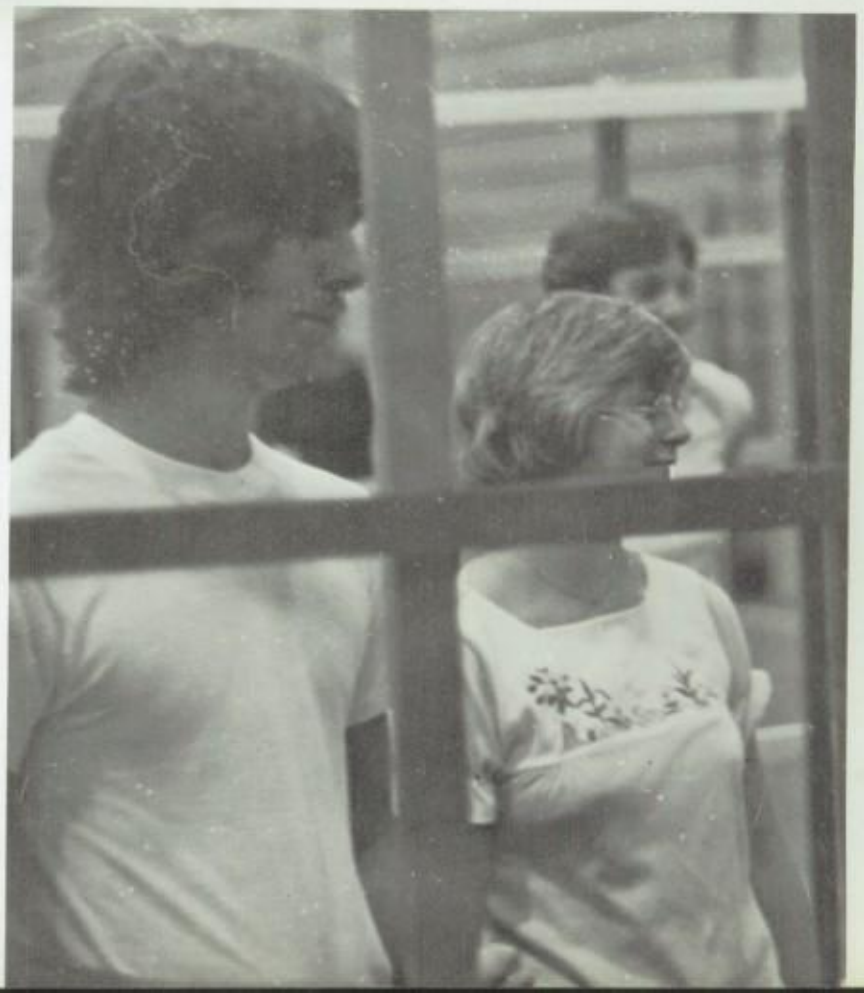
Q&S initiate new members

Mr. Fritchley and members of Quill & Scroll circle around to think of the many different activities that will take place during the year.

The Quill & Scroll scholarship was given to Scout sport's editor Tom Brew. The scholarship is given annually to a student who is planning to go on to college to study in the field of journalism. Tom is going to attend I.U. in the fall.

Scout editors Gail Hess and Terry Gubbins attended Ball State for two weeks of intensive newspaper study. Assistant editor Audrey Olton attended Western Kentucky University for new ideas.

Every year after carnival the new staffs are chosen. Along with that, outstanding journalism students are notified of their membership in Quill & Scroll. The induction includes a serious candlelight ceremony and an initiation that isn't too serious. Here Nancy Duncan gives Kathy Ozahanics a "beauty treatment."



Scout editorial staff included Audrey Olton, Gail Hess and Terry Gubbins. They lead the Scout in many new changes and improvements.

Beth Bachnak was the business manager for the Scout. She handled the books and kept track of billing advertisers.

Days of the Future Passed

Yearbook staff members started the '76 Quiver with a different outlook, knowing it was the country's 200th birthday and the school's 10th. The staff had many different ideas for the theme, they ended up with the title of one of the Moody Blues albums.

Editors of the yearbook went to summer workshops to help make an original '76 yearbook.

Stacey Veselak, one of the co-editors, went to Indiana University where she learned yearbook procedures and layout styles. Nancy Duncan, the other co-editor, attended Ball State for two weeks, while meeing different people, she also filled her mind with new ideas for the yearbook. Karen Figler, assistant editor, visited Western Kentucky University. The workshop taught her the small details of style.

Mr. Fritchley adviser of the Quiver, has been "Head Man" for all of LC's ten years.

SPORTS

Lake Central sports have changed in the passed ten years. Several sports have added. Tennis is among the added sports which has many interested students participating. Golf is another of the fairly new sports.

This year was a special one for LC basketball. Making school history was what it was. Something that could never be done for a long time such as finishing the season 20-0.

Wrestling was also a winning sport for us this year, having Ted Sangalis sent to the state competition. Cross country, girl's track and boy's track also did well throughout the year.

Junior Mike Shaughnessy led the Indians with 111 tackles and assists. Next were Seniors John Pavlik with 69 and Rob Vaillancourt with 65. Sophomore Scott Siedelman was fifth in tackles with 45 and led the team with seven fumble recoveries.

It was a disappointing year for the Indians. They managed only 80 points while their opponents together totaled 152 points. The rushing statistics also played a major part in the development of a dismal season. LC averaged a low three yards per carry to the opponents nine.

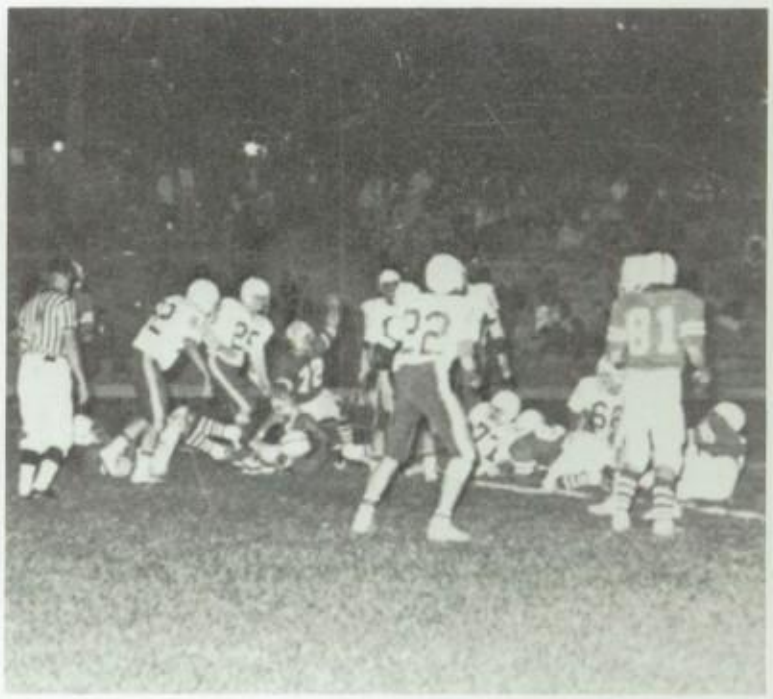
This year's JV Football team worked alot for next year. Their record was 1-6 and one tie game. The team managed to beat Whiting making that their only win.

Many individuals improved throughout the year and will be very valuable for next year's Varsity team. Outstanding guards and linebackers were Mike Roe and Tom Kapitan. Also contributing very much to the team were Garrett Smith, Ken Kidd and Darrel Cullen. On the whole the team improved as the year progressed.



Tackle Tim Kennedy turns to the Indian bench to indicate that the plunge for the touchdown was successful for another 6 points.

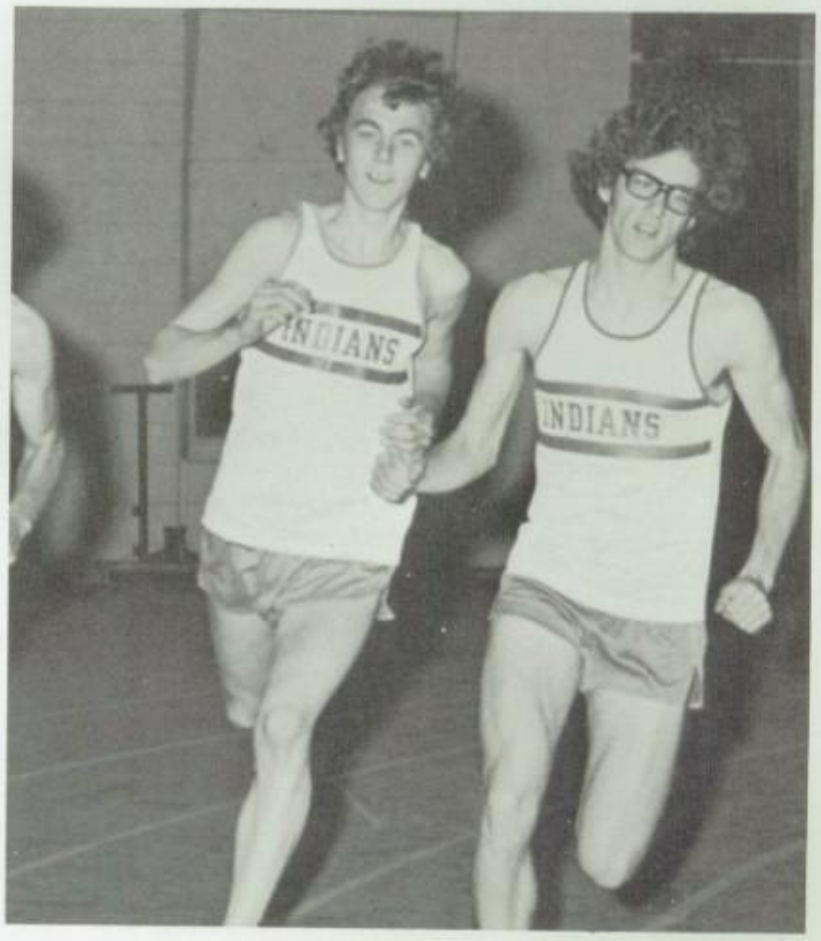
Cross Country has exceptional year



Lake Central's 1975 varsity cross country included: Row 1, L. to R.: J. Uzubell, J. Meiers, J. Tussey, T. Meiers, P. Wielgos, R. Simpson, K. Davis. Row 2, L. to R.: Coach R. Skerupa, T. Struzik, P. Fagen, J. Robinson, K. Truman, J. Bozek, P. Dub. The team really proved this year that they had what it takes to be a successful cross country team.

Lake Central's 1975 cross country team had an exceptional year, but if you look at the conference records you will find the results pretty much the same as the last three years. The difference lies in the results of the invitationals and in the individual performances.

The harriers finished third in three big invitationals; at Valparaiso, Michigan City Rogers, and the one at Lake Central. They won fourth place finishes in the East Gary and the Highland Invitationals. This was by far Lake Central's best performances at the invitationals in years.

The other big difference was in individual performances. Standout Junior Pete Wielgos proved that he could run with the best in the region, while teammate Jim Robinson followed closely behind. Not only did Wielgos capture first in a couple of invitationals, he also had fantastic finishes of second and fifth in the Lake Suburban Conference and Calumet Sectional meets, respectively.

The Indians had sixth and seventh place finishes in the conference and sectionals. Wielgos qualified for regionals and had a very respectable 14th place finish. It seems that Coach Rudy Skorupa has proven himself a competent cross country mentor.

Left: Junior, Pete Wielgos has what it takes to run the miles and miles in cross country for Lake Central's victories.

Right: Since running for cross country is very demanding, Tom Struzik knows how important it is to keep in shape.

Tom Brew and Jeff Mayer toiled at No. 2 doubles for LC. The two only fell within a few points of the LSC Tourney Finals. A pair of Highland racquetmen nudged the LC twosome 7-6, 7-6 on the semifinals.

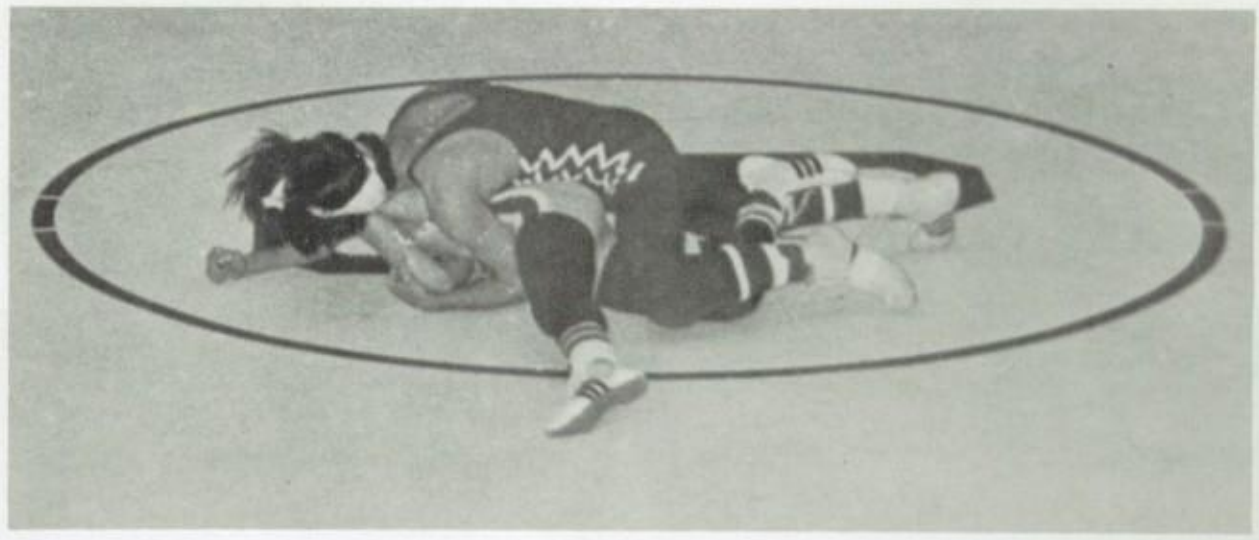
Sangalis, Huet, lead matmen to victory

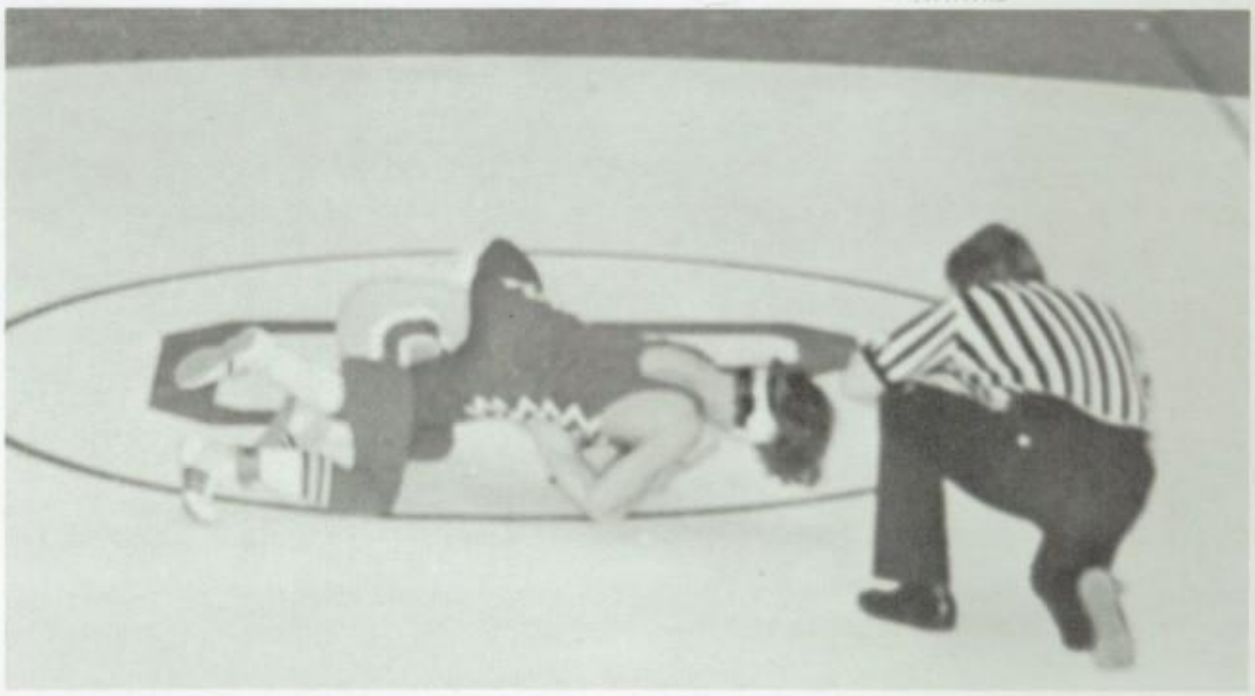
The 1975-76 varsity wrestling team had a season whose patteren was exactly opposite of the basketball team. The wrestling team suffered a disappointing 2-7 regular season, but that isn't the end of the story. Two of LC's grapplers put on quite a show.

Ted Sangalis was the first junior to go to state finals. Sangalis had a third place finish, the highest in the school's history. He also had the most wins in one season by a Lake Central wrestler with 26. Senior Jeff Huet was a regional champion, only the third in the school's history. Huet had a 20-3 record and won both the Hammond and East Chicago tournaments. Along with Huet and Sangalis, senior Jon Cooke and sophomore Mark Beggs represented LC at the Crown Point Sectionals.

There was a turnout of 97 wrestlers, with 47 of them freshmen, for this year's squad. Many of the freshmen saw consistent varsity action. In fact, as many freshmen received letters as did seniors.



Mike Roe has the upper hand on his Crown Point opponent. Roe wrestled at the 138 pound class as he made his contribution to the varsity squad.



Junior Ted Sangalis shows the form that sent him to the state finals, and earned him a third place finish. Ted won 26 matches during the 1976 season.

Tim Triumph is on the way to a pin of his Bishop Noll opponent. Tim is a sophomore and wrestled in the 132 pound class for the Indian grapplers.

Comprised of a starting line-up that usually contained nine seniors, the Lake Central baseball team finished a dismal Lake Suburban Conference season with a 5-7 record.

It was "close but no cigar" for the Indians in many of LC's encounters. Mike Skura and Brian Dinges, the mainstays on the hard-luck mound staff, lost several close games.

The Indians leading hitters were catcher Rob Vaillancourt, right fielder Joe Smitka, and second baseman Dan Andre.

Andre and third baseman Rich Beil were key defensive players throughout the season.

The young hardballers finished a rough season with a 2-9 record. Despite a fine defense and good hitters, the young Indians just couldn't get on the winning side. However, the two victories were in the latter stages of the season and they were against two very strong teams.

Darll Creviston was a key hitter hammering home runs and getting much needed hits. Kent Hess and Mike Sapyta also pounded in home runs, while Tom Laskey connected to get on base.

The team batting average was .260. Although the freshmen had problems during the season, they show potential for the future.

Indian thinlies set 22 new track records

Lake Central's varsity track team rolled to the most successful season in the history of the school. Numerous relay trophies now adorn the foyer cases and both the indoor and outdoor record books were rewritten during the spring campaign.

ACADEMICS

Auto shop was not a part of our Lake Central educational program ten years ago. This class and several other vocational classes have been added since the school was built in 1966 to improve the student's variety of elective courses. Classes such as wood shop and auto shop were made for the non-college bound students who wanted to make a career of auto mechanics or carpentry. Graphics is also one of the vocational additions.

This was the year for change in text books and teaching techniques. The math department changed several of their text books. Other departments also went through the awkwardness of not knowing what's coming next in the new texts. Despite all the problems, the academic year turned out well with teachers and students alike.

There is always a higher speed to be reached and more mistakes to be eliminated. Typing is one of Lake Central's main business courses. Besides learning to type accurately, other skills such as shorthand, bookkeeping and the use of office machines make for a well rounded business curriculum. Whether one plans to go directly into a field of business or attend college first, Lake Central's business student is fully equipped to meet the demands of the business world.

Left—Junior Sharon Moses keeps herself busy typing assignments from the book. Below—Mr. Don Binole carefully watches over the class to make sure the students don't sneak a peak at their hands while typing. He also teaches Shorthand I & II.

Above—New this year is Mr. Jerry Frazier helping his office machine student, Mary Baranowski with dictation. He also teaches Intro Business and Typing I.

Above Right—Also new to the Business Department is Mr. Ken Justak. Mr. Justak teaches Accounting I, Business Law and Intro Business.

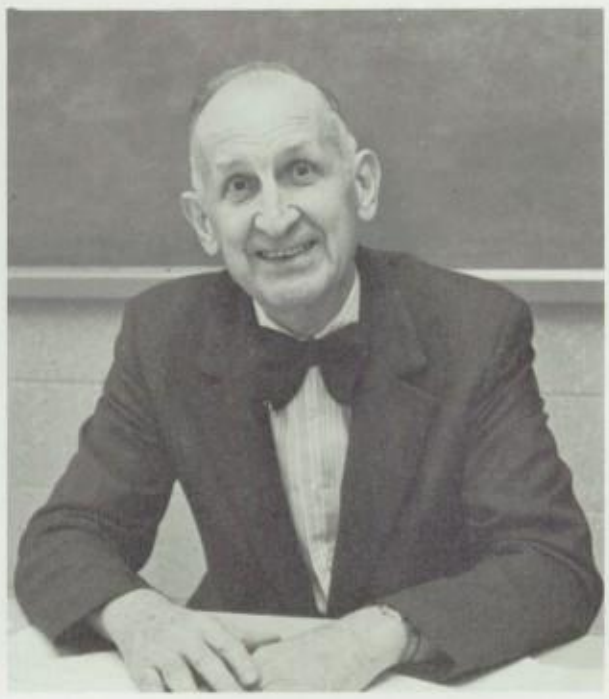
Above—Mr. Chuck Pollen takes time out from his history lectures to tell about his many adventures in college.

interest in American life

Government and econ teacher Mrs. Diane Gustafson enjoys taking time out of class activities to hear a good joke and have a good laugh.

U.S. History, econ, and government might not have been the most exciting classes that you'll remember after you graduate, but they certainly were essential for graduation.

This year the Social Studies Department went on a field trip to the Chicago Historical Society Museum. About 90 students with a B + average or above got to attend the field trip. They went to see and explore the many aspects of pioneer life. They developed a working understanding of the many things that were mentioned by the text. The Historical Society has the best collection of artifacts on Lincoln in the world. The highlight of the trip was eating at the Polish Smorgasborg, Warsaw Inn. The students liked it and so did the teachers. When asked what he thought of the trip, Mr. Bill DeMuth remarked, "I was proud of how the students acted and would do it again."



They also had an assembly. It was a naturalization ceremony. It was the final step, an oath of allegiance, of the process of becoming a naturalized citizen of the U.S.A. About 200 aliens took an oath administered by a U.S. Federal Judge. The judge spoke to the group about their responsibilities as new citizens.

The Social Studies Department also went to the Lake County Government Center and had a mock election.

Mr. Leo Bereolos gladly takes time out from reading reports and grading tests to pose for a picture.

Mr. Randy Fenters and Mr. Mick Smith are both devoted history teachers. They really enjoy giving students an opportunity to learn about their heritage.

PEOPLE

Student enrollment was up again this year to over 2000. To keep up with the increase in enrollment the building had to be built larger. Construction began in September outside of the school, causing little distraction to the students. There was a little complaining here and there, but school life went on.

Certain activities and organizations have been added or changed since the school was first built ten years ago. Such activities have improved the school. A club that didn't exist ten years ago was the Hockey Club. The Hockey Club has been very active this year with their games and practices. What is now our Student Government Association was once only a student council. We now have more power and prestige in this area. What is now the N-Teens association was once the Y-Teens because of its connections with the YWCA. There was no student park ten years ago. Many organizations and student activities have been added since 1966 to put more enjoyment into the LC student's life. Many activities will be added in a few years.

ON THE THRESHOLD

Days of our future are now our past

To Seniors, that certain saying "Today is the first day of the rest of your life," means something a little bit more, maybe even a little bit scary. The rest of our lives depend on what we did in the past and what we can do in the future to make our lives meaningful and worthwhile. When we graduate, we no longer have ties to Lake Central, unless we want them. We now only have ties to ourselves, our careers, our family, or that investment we call college. And we thought high school was rough!

"On the Threshold of a Dream" . . . that's where many of us are standing. And, that's also the theme we stood under on May 30 for our graduating and baccalaureate services. The services were combined, as they were last year for convenience, and to leave time for "more important" things like parties, beaches, and saying good-byes.

Senior class officers started working in the summer with freshman initiation plans. Propelled beanies were ordered for the freshman. The officers also organized the building of the homecoming float and the decorating of the hall.

Despite all the work put into homecoming the Senior Class could only capture second place in the hall and float competition and finished last in the yell contest.

The senior girls pulled through at the Powder Puff football game to beat the juniors. After losing at the buzzer last year, the girls reviewed the rules of the game before taking the field this year.

Senior girls win tug-of-war

The senior girls proved their strength at the annual Turkey Trot this year. They won the tug-of-war for the fourth consecutive time.

Senior guys also won their tug-of-war, but their strength failed them when they were matched against the teachers. So much power was put into this event that when the seniors tugged against the juniors, the rope snapped and both teams went flying.

The tug-of-war accounted for the majority of senior points, enabling them to capture the giant turkey leg as a prize.

Who's Who is awarded

Who's Who Among High School students is a national honor that was awarded to 47 seniors this year. The award is for students who have demonstrated leadership or achievement in either academics, athletics, extra-curricular activities or community service.

The Student Government Association worked hard this year putting together both Football and Basketball Homecomings. For Basketball Homecoming, SGA sponsored a contest to decide who had the best looking legs on the varsity basketball team. Each player had a photograph taken of his legs that was put on display in the foyer. Senior Tom Varga was voted as the player with the best looking legs. His prize was a L'eggs egg filled with an assortment of candy.

Senior members of SGA are Jody Lancaster, Pat Conte, Barb Harrison, Barb Tucker, Jill Gallett, Sue Czerwinski, Nancy Ayersman, Janel Townsend and Marshall Davis.

Ask a senior bandsman what it feels like to lose a NISBOVA contest and he couldn't tell you. The senior marching Indians have won the championship four years in a row. Striving for perfection, the class of '76 achieved a perfect score their freshman year and again their senior year. Perfect scores are hard to come by, but the seniors managed to bring two of them home during their years at Lake Central.

Many hours of hard work and practice go into an award winning performance. After four years of vigorous practices, unpredictable weather and tiring trips, senior bandsmen can find no regrets in having been a part of it all. They even comment that they will miss being in the band after they graduate. They may not be able to participate, but they will always be a part of it. And you can bet, graduates will be at contest for years to come cheering their band on to victory.

Basketball homecoming was a joint effort this year. There was no individual class hall competition. All classes worked together on decorations for the foyer and the field house to promote school spirit.

Seniors Barb Harrison and Chet Graham reigned as Queen and King of the homecoming activities. Chet tried something unique this year by campaigning for his crown. Buttons and cards were distributed which said "Chet for King". There was also a poster put up in the foyer which promoted Chet. All the campaigning was worth it, though, as Chet was named King during basketball half-time.

We Looked Forward to Prom

The class of '77 has finally made it! After all those years of waiting and dreaming. It was finally their year for prom. Like the classes in the past years, they worked very hard to raise the money to support the cost of prom. They sold candy at the beginning of the year, had bake sales, and as usual they put all they had into the coke bar, selling candy and popcorn to the students at lunch time. Class sponsors, Mrs. Sharon Blaskey and Mrs. Dixie Whitehouse enjoyed helping the Junior Class and the prom committee with the necessary arrangements, one of which was choosing the theme, "Ribbons of Memories". The prom committee chairmen were Kay Sato and Mike Berglund. Gayle Farcus, Judy Higgins, Teena Zevkovich, Kim Gugin, Beth Dotson, Karen Rolewski, Nancy Hesch, John Jayjack, Debbie Bertsch, Kathy Figler, Lois Pawlak, Becky Seberger, and Mike Kidd also worked very hard to make the '75-76 prom a success. On May 15, the students danced to the modern music of November's Guest at the Holiday Inn in Harvey, Ill. in the Regency Ball Room. The prom will never be forgotten and was worth the years of waiting.

Junior class officers were Beth Dotson, Pres; Sandy Kelly, Vice-Pres.; Judy Higgins, Sec.; and Debbie Reeves, Treas. They contributed a lot to the Junior Class.

Sharal Carstensen gives her paper one more look before going on. Speed and accuracy is what you strive for in all the typing classes.

Cindy Stecyk takes time out to clean her locker. Some are more courageous than others.

Class cabinet: R. Gard, C. Cataldi, J. Higgins, S. Kelly, S. Gray, L. Hummel, J. Gorley, C. Pisut, C. Gibson, T. Zevkowich, R. Kuhn, C. Synder, D. A. Medrano, B. Dotson, R. Mudrovich, B. Seberger, G. Farcus, P. Gariepy, Reeves. They enjoyed getting involved with class activities.

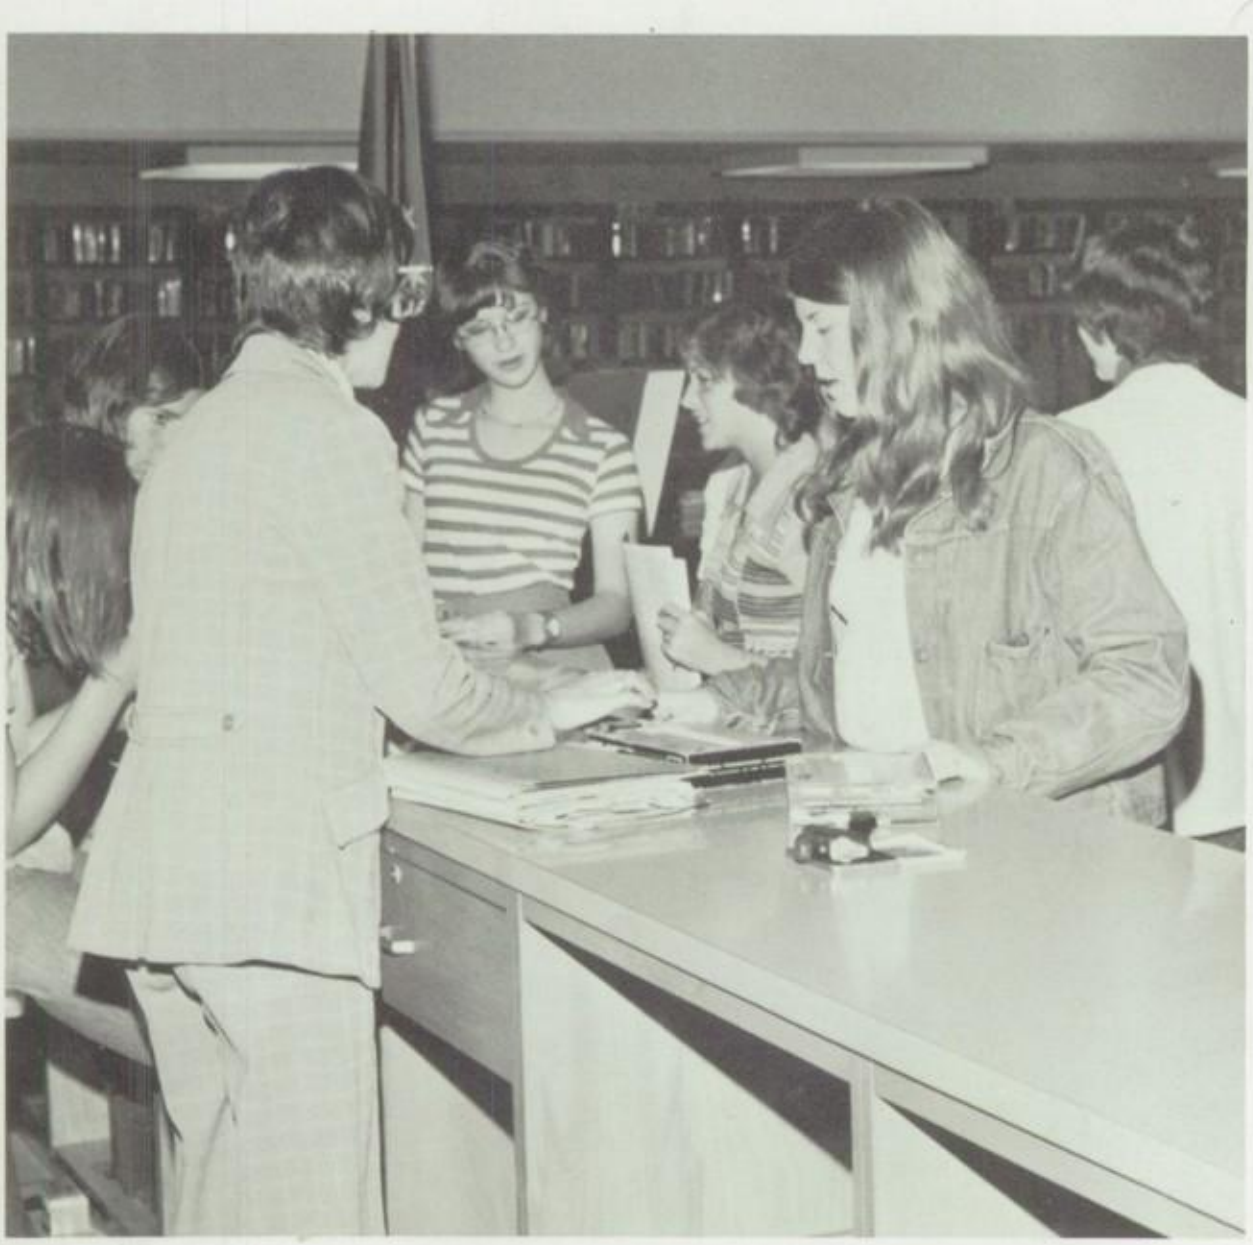
WE WAITED FOR RINGS

SGA: Venesa Sangalis, Christie Griffin, Jayne Bakker, Nancy Townsend, Janet Bakker, Liz Lynn, Nancee Tribble, James Meade, Lori Babcock, Rick James, Kim Anderson. They worked together to make the class of '78 a spirited one.



One thing sophomores look forward to is being sophomores. So many things happen when you're in 10th grade. No longer do you have to worry about being the youngest class in the school, not to mention the initiation you had to go through. This was the year of drivers' licenses, class rings, junior varsity, no more gym classes (at least for some) and all the other many activities you associate with sophomores.

As freshmen, the class of '78 was very active. They adjusted very well to Lake Central. They started off with Groucho glasses for initiation, then to show their individuality, they were the first freshmen class to have their own dance.

Mr. Ray Zawada and Mrs. Irene Korem, class sponsors enjoyed being involved with and helping the sophomores with such activities as homecoming, float competition, and dances. Class cabinet members, Janet Gawrys, Candy Kaza, Kim Anderson, Janet Bakker, Nancee Tribble, Venesa Sangalis, Dorothy Harvasz, Jana Bell, and Kathy Morrison also contributed a lot to the activities of the Sophomore Class.

During the day, many people make their way into the library. They keep the librarians moving.

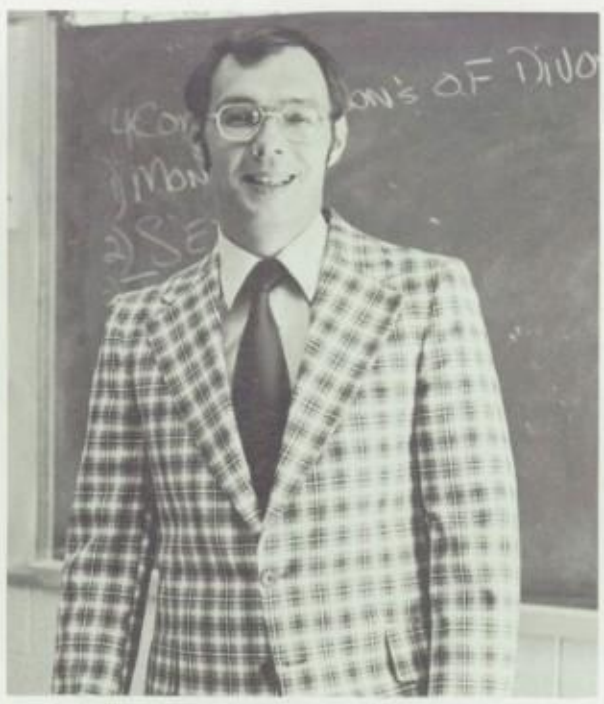
Initiation With Propeller Hats



Freshmen class sponsors were Miss Keilman and Mr. DeMuth. Throughout the year, they both appreciated all the effort that the frosh put into the activities that were planned.

The frosh placed first in the Football Homecoming yell contest and third in the float competition. They finished second in the hall decorating contest. For Basketball Homecoming, the frosh placed first in the float and fourth in the hall competition.

The Freshman Class sold containers with popcorn in them. They then sold candy bars to help make another profit. The Freshmen Class is the first class at LC to ever have a lot of money in their treasury.

King and Queen for Football Homecoming were Roger Heikema and Marcy Mangold while for Basketball Homecoming they were Mike Evans and Sandy Munson.

The Freshmen Class have decided to buy their class rings from Josten Jewelers in Bremen, IN.

The Freshmen Class officers are Chris Dinges, president, Becky Miller, treasurer, Mike Lynch, vice-president, and Jody Ramsey, secretary.

The Freshmen Class Cabinet members are Dina Digiacomo, Mike Lynch, Sharon Blaize, Sandy Munson, Lorrie Warmelink, Pat Rangel, Becky Miller, Jody Ramsey, Kris Oliver, Anne Cody, Chris Dinges, Jack Decker, Chris Kreevich, and Jane Upchurch. These people helped their class along on everything that their sponsors organized. The sponsors just hope that the enthusiasm stays with them until the day they graduate.

ADVERTISING

LC's students are a large part of the income of the businesses in this area. Many businesses may advertise in our yearbook because they are proud of our shcool and would like to contribute to it in some way. Some advertise because of the sheer pleasure they receive from students who are their customers or employees.

Besides students contributing to businesses, the businesses also do good for us. Many nearby advertisers provide LC students with a steady diet of hamburgers and pizzas, flowers for the prom and gas for the car before an important date. Students frequently use the banks and doctors that surrounding communities provide. Merchants provide another valuable service, part time jobs that can mean a college education, new clothes or just plain fun.

Ten years ago, our yearbook had 24 pages of advertising with 68 advertisers; this year, 38 pages with 115 advertisers.

Lunch hours

A new homeroom system was added to lunch hours this year early in January. There were three lunch hours running: 10:15-11:15, 10:40-11:40, and 11:15-12:15. The last 20 minutes of each of these lunch hours was homeroom or "holding period." Homeroom was spent in the classroom you were in before lunch. These 20 minutes could be spent studying or talking, depending on the teacher you had.

Another new addition this year was the vanilla or chocolate milkshakes, or salads served at lunch. Crackers, milk, and some sort of fruit were served with salads at a cost of 55¢. Milkshakes could only be bought with a regular lunch and cost 60c Students preferring another choice of food brought sack lunches or went out for lunch if they were halfday Seniors.

Students who stayed at school during lunch spent their time talking with friends or studying in the library. Candy from the concession stand was offered to all students. LC people are seen standing, lined up on benches, or on the floor at lunch. Starting in April, the smoking lounge was open only to those who were age 18 and had a smoking permit.

WORKING FOR THE FUTURE

Planning for the future, that's what high school is all about. Trying out different subjects, different clubs and different activities to find out what you are interested in. Your decision making days get closer and closer and through high school you have a better idea of what you want to be: an artist, a singer, a dancer, an actor, almost everything is offered at Lake Central.

Remember all of those hours working on your school work or your extra curricular activities? School was also fun this year with many things to get involved with. Our choir and band were a big success as always. Our theatre, basketball, wrestling, hockey, baseball, everything was enjoyable and successful. Everything was to help plan for our future as adults.

Thank you!

To my honey Jeff,

I really don't know what to say. I guess I should write a whole page since you signed two. But I write smaller so its even. Anyway I'll get to the point. Weve had ALOT of good times together. Some bad ones to, but I won't mention them. You treat me So good I can't believe it. You are my whole life. Youre my best friend. And youre my boyfriend. I'll always remember the first time you called me. And the many times youve asked me to go with you, And I always said yes. Right? 'Member when you & used to say "ironic" all the time. I think may be youve grown up a little since then. But I still Love your humor and I hope you never lose it. Ya Know Jeff, if we keep practicing were gonna make beautiful music together some day. Youre just what Ive always hoped for in a boyfriend. Youre so fun to be with and youre always complimenting me. Your family likes me (I think), and theyre all so nice. Were perfect for each other really. And I think were gonna get along great (as soon as each of us gets over our jealousies). Youve helped me thru alot of hard times Jeff. You always seem to be there at the right times. Ya Know Jeff, this is getting pretty messy. I've said everything thats in my heart. (except I love you, which you know), when you look back on this 10 yrs. from now youll probably laugh. Youll show it too your wife & shell laugh. Oh sorry, I mean I'll laugh. We will laugh. Good luck always,

I love You,

Kelly
